ZOOM CONFERENCE

“AN ISLAND OF SHARING & PEACE”

Israeli-Palestinian Cooperation

and

Preventing Floods

Wednesday, 13 October 2021

From 19:00 to 20:00

Registration: The link to the meeting will be provided later

Israeli-Palestinian Cooperation: There are 14 industrial zones in Judea & Samaria where thousands of Palestinians and Israelis work together for the past 30 years.

Preventing Floods: Past, Present and Future trends in runoff management
A review how runoff management was applied in ancient times, what is neglected in modern drainage planning and what we can learn from the old and partly forgotten strategies for a better and sustainable future runoff management.
